Improve Client Communication & Colleague Collaboration with Microsoft Teams

September 29, 2020

12:00 Noon

Presented by Dave Bell, President of [Cyber Solutions, LLC](#)

There are several collaboration apps available, which are being used now more than ever. Microsoft Teams is one of the most popular apps used internally and externally by organizations of all sizes. Teams makes it very easy to group projects and keep track of progress flow. We will be discussing common uses for Teams and how Teams can benefit your organization.

Topics include:

- Access via web browser, desktop application or mobile app
- Hold scheduled or on-the-spot video and/or audio meetings
- Calendar to sync with Outlook
- Call anyone from Teams, even if they're not using Teams, share screens, files, images, documents
- Manage projects via Channels
